- Member of Hong Kong Institute of Construction Adjudicators (MHKICAdj)

EMPLOYMENT HISTORY

Senior Project Commercial Manager – Dispute Resolution , MTR Corporation Limited

Hong Kong

Oct 2010

Guangzhou-Shenzhen-Hong Kong Express Rail Link (XRL) – Renamed as High-Speed Rail (HSR) in 2018

- Responsible for dispute matters of Guangzhou-Shenzhen-Hong Kong Express Rail Link (XRL) project.
- XRL is a committed cross boundary transport infrastructure project, which will provide a high-speed rail services between Hong Kong and Guangzhou, and a connection to the national high-speed passenger rail network serving major mainland cities outside of Guangdong province. This network, which will comprise 12,000 km in the Mainland, the Hong Kong section of the Express Rail Link will use a dedicated corridor entirely in tunnel to ensure that the required line capacity can be achieved and to ensure operational compatibility with the mainland. The link is approximately 26 km long from West Kowloon to the boundary and was scheduled for opening by 2015 but eventually postponed until Q3 2018 for full operation
